Parent Template for What to Expect:

Videotape self & facility
Upload & share completed video on social media platform
      Facebook/facility website/organization website/currently working with the GSC to host a
      platform to have covid information and templates

- ❏ Introduce Self and if you have any type of name for your plan
    - ❏ Example: NGLC is Prevent-Identify-Control-Refer
- ❏ Explain new or different drop off/pick ups locations
    - ❏ Staging times of drop off or pick up
        - ❏ Try to maintain same family member and caregiver at pick up and drop off
    - ❏ Difference in schedules if applicable
        - ❏ Will you maintain same hours of business?
    - ❏ Differences in meal plans if applicable
        - ❏ Due to your hours of business will you be serving all meals/snacks that families are accustomed to prior to pandemic?
        - ❏ Inform families about bottles and pacifiers-changes with meal settings. No more family style
- ❏ Thermometer check and specific log to keep data
    - ❏ Have you made changes to your handbook and applied new policy and procedures for temp changs and hours away from center/
    - ❏ Inform families of the five questions that will be asked daily
- ❏ How their child's daily life in care will differ
    - ❏ Water play or water faucets vs. covered cups
    - ❏ Group sizes-64 square ft. per child-social distancing
    - ❏ Intentional times of handwashing
    - ❏ Common areas of use (i.e.. playground) after use sanitation
        - ❏ Not combining children of different classes (if applicable)
    - ❏ No backpacks- bring in diapers or bottles/pacifier prior for sanitation
    - ❏ Spacing or timing of common eating areas
        - ❏ No family style for the time
    - ❏ Daily sanitation of indoor classroom
        - ❏ Example of the materials you will use and the schedule-whom is responsible
    - ❏ How & when to isolate or deny a child care & report to the health dept.
        - ❏ What is your policy? Whom is your person you report to at the health dept.
    - ❏ Staff procedure on symptoms to be sent homeq
        - ❏ Staff log for temps and testing
    - ❏ Supporting social/emotional needs of children during Covid
- ❏ Explain how staff will complete online training for health & safety for Covid

- ❏ What are you required to complete? What resources will you be using? Whom are you working with to ensure you continue to move with the new research of COVID?
- ❏ And remind parents- how to contact you or facility for any questions

- ❏ *Optional: You may want to reach out to your families prior to recording to get their burning questions and if they are not part of the template-include them in a Q/A session at the end of your presentation.*
